Find your household income level based on your family size.

Family Size	Max Income			
	A	B	C	D
1	\$12,760	\$19,140	\$25,520	\$31,900
2	\$17,240	\$25,860	\$34,480	\$43,100
3	\$21,720	\$32,580	\$43,440	\$54,300
4	\$26,200	\$39,300	\$52,400	\$65,500
5	\$30,680	\$46,020	\$61,360	\$76,700

Based on your household income level in the chart above, follow your column down to the service you're looking for to determine the flat fee. If your income is over the level listed in column D, column D would be the fee for you.
